Personal Skills

Constant Learner

I feel the urge to learn at all times. In fact, thanks to MOOCs, I'm able to complete my education. I'm currently taking a Machine Learning course from the University of Washington.

IT news reader

I think the IT world is evolving so fast that I need to keep myself updated in the latest technologies. That's why I spend 30 minutes a day reading my RSS feed.

Creative Hacker

I like to hack & tweak my devices. I enjoy finding practical solutions to all kinds of problems. Furthermore I'm a Open-Source pragmatist loving to share on Github

Languages

English: Fluent

TOEIC 970/990

French: Native Language

Spanish: Basic

Miscellaneous

Hobbies: Hacking, Astronomy & Cooking

Travel: 40 days hitchhiking from France to the Black Sea, road-trip in Croatia, one-month trip in the United States of America, 3 weeks in Nepal & 4 weeks in Vietnam
